Licensure & Certification

Goal by October 2015

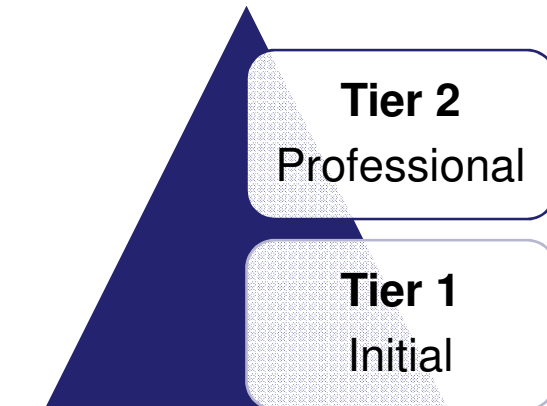

Tiered performance-based licensure for all educators shall be established based upon Idaho's definition of "Learner Ready Teacher" (Three-tiered) and "School Ready Principal" (Two-tiered) and aligned to a coherent developmental continuum.

Teacher Licensure

Administrator Licensure

Tiers 1 & 2 of *Teacher* Licensure

6 Months

- All stakeholders identified and fully informed of tiered teacher licensure and beginnings of pilot taking place in pre-service programs across the state.
- Performance measures designed for pre-service candidates seeking initial licensure and novice teachers seeking professional licensure shall mirror each other, and observations will be conducted using the same rubric across the continuum to ensure maximum growth.

Tiers 1 & 2 of *Administrator* Licensure

6 Months

- Identify and convene stakeholders to begin designing administrative tiered licensure.

Tier 3 of *Teacher* Licensure

6 Months

- Identify components, successes and barriers of other states' professional tiers of licensure; both teacher and administrator.
